

## How Empathetic Are You? (The Empathy Quotient, EQ)

### Instructions

This newer measure of empathy returns a score on your empathy quotient (EQ, not to be confused with emotional quotient), and consists of 60 items. The following is a list of statement about yourself. State the extent to which you agree or disagree to each of the statements below. Avoid thinking about your responses too long – often, your first answer will be the most accurate one.

	Definitely Disagree	Slightly Disagree	Slightly Agree	Definitely Agree
1. I can easily tell if someone else wants to enter a conversation.				
2. I prefer animals to humans.				
3. I try to keep up with the current trends.
